In order to assure fairness in covering the cost of our facility, it is the stated policy of NTHC that all new members who have not previously donated to the Building Fund will be assessed a total of \$2,500 (\$1,500 for singles, second congregation, and young family members).

Continuing membership *beyond the first year* requires an additional commitment to support the Congregation's Building Fund, as follows:

-- Benefactor, Sustaining Member, and General Member: \$500/year for five years

-- 2nd congregation, Young Family, Single: \$300/year for five years

First installment is due at the beginning of the second year of membership.
